

Math & Kids

2255 Peachtree Parkway, Suite 700, Cumming, GA 30041. Ph: 678-602-7165
2905 Jordan CT, Suite B, Alpharetta, GA 30004. Ph: 678-488-5177

Summer Art Program \$140/month (3 days/ week) OR \$99/month (2 days/ week)

ART program focuses on drawing, coloring and painting skills:

- *Sketching with Charcoal and Pencil to acquire a solid foundational skill set for drawing.*
- *Coloring with oil pastel, Poster and watercolor. Gain the knowledge of primary and complimentary colors.*
- *Painting techniques including Color mixing, application, proportions, & creating a balanced composition.*
- *Cartooning with color pencils & markers to illustrate and color the cartoons or create the new characters*

Every week, the best art will be posted in our 'Math&kids' center

About our Instructor: Over 25 years experience in the arts, Ms. Lauren has worked in an array of mediums, including oil, acrylic, and water colors, as well as polymer clay and decoupage. Over the years she has studied with many local artists in Bucks County, Pennsylvania as well as some nationally known artist/teachers, including the late Helen Van Wyk. In addition Lauren continues to grow in her talents with independent studies from her home based art studio. Among her many achievements, Lauren has enjoyed the success of having her works of art displayed in numerous of art shows around the New York Metropolitan area. In 2005 Ms. Lauren moved to the Atlanta area where she has continued to combine two of her passions by teaching art to children. She also works in BarbaraArtofAcademy. Please visit this website to see her portfolio.
